Sec. 4. G.S. 159-81(3) reads as rewritten:

"(3) 'Revenue bond project' means any undertaking for the acquisition, construction, reconstruction, improvement, enlargement, betterment, or extension of any one or combination of the following revenue-producing utility or public service enterprise facilities or systems owned or leased as lessee by the issuing unit:

- a. Water systems or facilities, including all plants, works, instrumentalities and properties used or useful in obtaining, conserving, treating, and distributing water for domestic or industrial use, irrigation, sanitation, fire protection, or any other public or private use.
- b. Sewage disposal systems or facilities, including all plants, works, instrumentalities, and properties used or useful in the collection, treatment, purification, or disposal of sewage.
- c. Systems or facilities for the generation, production, transmission, or distribution of gas (natural, artificial, or mixed) or electric energy for lighting, heating, or power for public and private uses, where gas systems shall include the purchase and/or lease of natural gas fields and natural gas reserves and the purchase of natural gas supplies, and where any parts of such gas systems may be located either within the State or without.
- d. Systems, facilities and equipment for the collection, treatment, or disposal of solid waste.
- e. Public transportation systems, facilities, or equipment, including but not limited to bus, truck, ferry, and railroad terminals, depots, trackages, vehicles, and ferries, and mass transit systems.
